Nursery Newsletter - JANUARY

Focus – Snow ans Ice

What we are getting up to in Nursery!

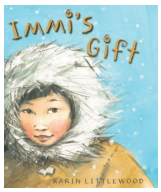
We hope you have all had a lovely Christmas.

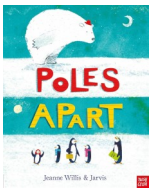
In January we will looking at the season of Winter. Hopefully we will have some cold weather including some frost and snow so we can enjoy exploring the snow and build some snowmen. We will be looking at ice and how it melts back into water.

We will also be looking at animals that live in the polar regions and finding the Arctic and Antarctica on the globe.

At the end of January it is the Chinese New Year so we will also look at this celebration.

Books we will look at in January….





These are the books we will be focusing on each week during January.

2 Evidence Me

We would love a photo of your child playing in the snow or building a snowman. Send it in on evidence me for us to share.

Sharing photos gives children the opportunity to talk about things they have done at home.

You can find our photo gallery on the Nursery door!

Reminders

- **Every Thursday afternoon we will be going on a 'Welly Walk' in the local environment to do some outdoor learning in nature. Please ensure if your child attends on a Thursday they have wellies and a suitable coat!**
  PLEASE MAKE SURE THEY HAVE SPARE SOCKS AND TROUSERS we often get wet even with welly suits on!
- **Can you make sure your child brings a water bottle to Nursery as its important to keep hydrated during the day.**
