Nursery Newsletter - April
Focus – Life Cycles

What we are getting up to in Nursery!

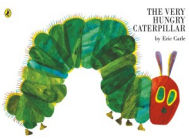
We are excited to start looking at some different lifecycles in Nursery and how each creature changes before it becomes an adult.

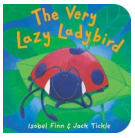
Over the next 3 weeks will look at the life cycle of a frog, butterfly and ladybird.

We will support this with lots of non fiction books so children get a real understanding of metamorphosis.

The children will also get the opportunity to work with Friends of Centre Vale Park making a bug hotel that will be placed in the park. This will be great to help the children understand the different habitats that mini beasts live in.

Books we will look at in April …





These are the books we will be focusing on during April.

Dates to remember:

21st April - Bug Hotel Workshop

Each day we now have a classroom helper who has the responsibility of a few jobs (ring the bells, give play dough out, be at the front of the line and choose the home time story). The children love doing this each day.

We also choose a superstar each week who gets a trophy to keep!

DONATIONS NEEDED!!

We go through a lot of things each day in the Creative Area (both myself and Megan are struggling to keep up!).

Any donations of the following would be appreciated - thank you.

- Old birthday cards
- Small boxes and tubes
- Old gift bags

Important Reminders

- **On some afternoon we will be going on a 'Welly Walk' in the local environment to do some outdoor learning in nature. Please ensure your child has wellies and a suitable coat in school! PLEASE MAKE SURE YOUR CHILD HAS SPARE SOCKS AND TROUSERS we often get wet even with welly suits on!**
- **Can you make sure your child brings a water bottle to Nursery as its important to keep hydrated during the day.**
- **Its really helpful if your child has a book bag these can be purchased throuhh the gateway app.**
