Nursery Newsletter - February

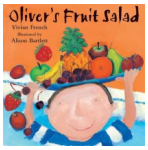
What we are getting up to in Nursery!

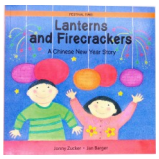
We will start by looking at different fruits. This will include touching and feeling different fruits and tasting fruits when we make a fruit salad. We will also look at the different countries in the world where fruits we buy at the supermarket are grown.

We will talk about different feelings and focus on things that we 'love.' We will explore hearts though expressive art and design.

After half term we will do lots of activities about the Chinese New Year. We will try Chinese food and make some Chinese decorations.

Books we will look at in February…





These are the books we will be focusing on each week during February.

We aim to provide a rich learning environment through play and child led learning. Children are encouraged to investigate and be curious about the environment around them.

- This runs every Wed morning 9.30—11am in school.
- Ages—birth to 5 yrs.

Collage Area

The children love our new collage area where they can come and create a masterpiece. Unfortunately myself and Megan cant keep up with the resources the children use!!
